I hereby certify the protected plant species I am donating to the NC Native Plant Society are not wild collected and have been propagated from the Original Source indicated in the righthand column, unless originally native to my property. The plants or plant parts I am donating are from my own land and have been propagated at my address as listed. I accept full responsibility for ensuring all provisions, as outlined in the Plant Protection and Conservation Act (Chapter 106, Article 19B of the General Statues) along with pursuant regulations are fully met.
