

Join Us!

North Carolina Native Plant Society

Benefits for Members:

Four Newsletters each year, with articles and illustrations by professional and amateur contributors.

Field Trips to natural areas including Nature Conservancy and Natural Heritage sites, plus local excursions.

Programs presented by professional and amateur speakers.

Frequent Access to hard-to-find native plants, through our sales, auctions, and exchanges.

Native Plant Rescues to natural areas that are slated for development.

Opportunities to work in rare native plant preservation efforts, restoration, and maintenance projects to preserve our natural heritage.

Membership in chapters connecting you with native plant enthusiasts in your community.

Online Access to members-only archives and information.

Join us! Our members are gardeners, landscapers, bird and butterfly enthusiasts, amateur and professional botanists, nursery professionals and environmentalists.
